Executive Director’s Message

Dear Friends of New Hope,
May this greeting find you and your loved ones doing well. I wish to thank you for all your continued support for New Hope moms and babies, especially at this time when we all have experienced less than what we expect. Seems everyone is taking the time to value the blessings they have but also realize the adversities others face every day.

We Wait in Anticipation

New Hope volunteers know that those who call upon us need extra strength and encouragement to get through their day. Life can hit you with disappointments, challenges, and heartache, but words of encouragement can lift one’s spirits to see a brighter future. We are simply the messengers of your support for these women as we pass your support forward. Your generosity is overwhelming and enables New Hope to continue to encourage those who call upon us to know that we are here for them. It is your support that raises these young women’s courage to bring new life into this world. Thank you!

Wishing you and your loved ones a most blessed and joyous Christmas.

Sincerely,

Marilyn Laquidara
